

## PURPOSE

The Gavalas Kolanko Foundation (GKF) is a public charity established to help students with physical disabilities reach their secondary educational goals. The GKF awards scholarships to students with physical impairments (sight, hearing, movement) at The Citadel.

## FIRST-TIME APPLICANTS

First-time applicants must complete the attached form with all indicated documents and return it to Dr. Jane Warner, Director of Services for Students with Disabilities at The Citadel—no later than **July 26<sup>nd</sup> 2019**.

## RENEWAL APPLICATIONS

The scholarship is renewable for up to four years, subject to the applicant's request for renewal, the applicant's continued suitability for the scholarship, and available funding of the GKF. Previous Citadel recipients, who wish to renew the scholarship, must submit (a) current academic transcripts and (b) an updated list of extra-curricular/community service activities to Dr. Jane Warner, Director of Services for Students with Disabilities.

## SELECTION PROCESS

The Foundation board will review all new and renewal applications and then award 2019-2020 scholarships, based on applicant suitability and current GKF funding resources. If selected, award recipients will receive notification during fall semester of the current academic year. The scholarship award will be applied to your spring semester financial aid awards.

## SELECTED APPLICANTS

Scholarship recipients should be prepared to serve as an ambassador/spokesperson of the Foundation and participate in GKF-related social and civic functions throughout the scholarship year. In particular, the pleasure of your presence is requested at the Foundation's largest fundraiser of the year—the Charleston James Island Connector Run (CJICR). Typically, the event has been held on "Students with Disabilities Day," proclaimed by Mayor Joe Riley, Jr. This year's CJICR is **October 26, 2019**.
