

PURPOSE

The Gavalas-Kolanko Foundation (GKF) is a public charity established to help students with physical disabilities reach their secondary educational goals. The GKF awards scholarships to students with physical impairments (sight, hearing, movement) at Trident Technical College.

FIRST-TIME APPLICANTS

To qualify for the scholarship, first-time applicants must complete this form, in detail, with all supporting documents indicated below and return it to Jim Orgel, Lead Disabilities Counselor, at the Services for Students with Disabilities Office at Trident Technical College - no later than **July 23, 2021**. The scholarship is renewable for up to four years, subject to the applicant's request for renewal, the applicant's continued suitability for the scholarship, and available funding of the GKF.

RENEWAL APPLICATIONS

The GKF scholarship is not automatically renewed. Previous TTC recipients who wish to renew the scholarship must submit (a) current academic transcripts and (b) an updated list of extra-curricular/community service activities to Frank Morea, at the Services for Students with Disabilities Office at Trident Technical College.

SELECTION PROCESS

The Foundation board will review all new and renewal applications and then award 2021-2022 scholarships, based on applicant suitability and current GFK funding resources. If selected, award recipients will receive notification during Fall semester of the current academic year. The scholarship award will be applied to your Spring semester financial aid awards.

SELECTED APPLICANTS

Scholarship recipients should be prepared to serve as an ambassador/spokesperson of the Foundation and participate in GKF-related social and civic functions throughout the scholarship year. In particular, the pleasure of your presence is requested at the Foundation's largest fundraiser of the year—the Charleston James Island Connector Run (CJICR). Typically, the event has been held on "Students with Disabilities Day," proclaimed by Mayor Joe Riley, Jr. This year's CJICR is **October 23, 2021**.
